C
Bandwagon, it's coming into town to turn your life around
Bb F C
And take you to the places that you once could only dream of
Am Gsus4 G Gsus2 G
They'll be standing right there before your eyes
Bb F
And the heroes that you worship
Eb Dm C (NC)
They'll be riding with you, up there by their side

C
On the bandwagon, it's rolling into town
Bb F C
Gathering the crowds, to show them all the places that they once could only
dream of
Am Gsus4 G Gsus2 G
And put them right before their eyes
Bb F Eb Dm C
In the stories that they're selling for some pennies and a little of our
time

Am F
Well, well, do I hear you say I'm only dreaming (I am only dreaming)
Am Bb F
That I'm staring out the window letting all my life just pass me by
Am F
In my defence, listen to me, I have never ever stopped believing (never
stopped believing)
Am
That there's a better world out there waiting
Bb F (NC)
All I have to do is hitch a ride

C
On the bandwagon, it's coming to my door, I've been on it before
Bb F C
And it took me to the places that I once could only dream of
Am Gsus4 G Gsus2 G
They were standing right there before my eyes
Bb F Eb Dm C
And I can tell you the stories for some pennies and a little of your time
Just a little of your time
