

The Voyeur (I Like To Watch)

E

"I like to watch"

Track down a satellite, beam in the action, life lies bleeding live in your living room

Your senses on remote control, it's overkill in overload

G

From Lockerbie to Lebanon's getting closer every day

E

From Hollywood to Hungerford's an impression away

Bb

G

I like to watch implausible pledges of polite politicians

Bb

G

I like to watch them even more than my video nasties

Bb Fdim E

I like to watch

Bb Fdim E

I like to watch

E

The bleating of a bimbo, a back-stabbing beauty queen

G

Titillating tabloids trigger off a wet dream into action

A fatal attraction, private lives are up for auction

E

A cupboard full of skeletons are coming out to play

Bb

G

I like to watch disasters in replay and rerun in slow-mo

Bb

G

I like to watch on-the-spot interviews, kicking in front doors

Bb Fdim E

I like to watch

Bb Fdim E

I like to watch, to watvch

C

To watch as my face is reflected in blank TV screens

Ab

When the programmes are over, I like to pretend that that's me up there making headlines

Camera close-up catching my right side

Db

Bb

I don't care if it's only a moment as long as it's peak-time

Db

Bb

Just as long as all of my friends and family see me

A

E

The world will know my name - come on down

G E

"God's watching you"

Bb G
I like to watch psychologists speculate, analysts analyse
Bb G
I like to watch my methods and motives, the topic of talk shows
Bb Fdim E
I like to watch
Bb Fdim E
I like to watch
Bb Fdim E
I like to watch, I, I like to watch, I like to watch, I like to watch, I
like to watch

I like to watch, just like to watch, I like to watch, switch off

Fdim: XX0202
